THE HUB NEWS

3. Books coming soon!

We have ordered nearly 500 books that will arrive shortly. Get **excited** for these and other books:

Popular books we are getting more of, and new books for series!

New books and series we should all explore!

Books Ms. Leanne thinks you should read!

4. Changes coming to the Learning Hub!

The 2022-2023 school year is going to be exciting, with lots of great new improvements in the Learning Hub!

Secondary - Genrefication!

To make it easier to find good books in the Secondary fiction department, we will be merging the Spanish and English sections together, and then separating the books by genre. That way, if you are looking for a mystery novel, all mystery books in all languages will be together and easy to find!

Primary - New shelves and organization!

We are getting new shelves in the library to better organize the books and create more comfortable reading spaces. It will be beautiful, and easier than ever to find what you are looking for!

New books!

For all areas of the Learning Hub, we have ordered lots of new books. New titles, new books in series, and more copies of popular books! Come to the library in the new school year to read some of the 500 new books we will soon have.
