40 Book Challenge

Grades 3, 4, and 5 are participating in the 40 Book Challenge again this year. So far, 13 students have finished reading 40 books from different genres. 38 students finished in the previous school year, so we're well on our way again!

Come see the stars hanging in the library with the names and pictures of our biggest readers!

If you would like to work on your own 40 Book Challenge, print off the page, fill it with books, and bring it to the Learning Hub.

4. New library spaces - Secondary

We've redesigned the Secondary side of the library!

New chairs and tables make the Learning Hub a place to work and read in comfort for both students and teachers.

4. New library spaces - Research Center

The Research Center is completely different!

With a glass door and large window, there is plenty of natural light to improve working conditions. Now tables create a great learning environment that can be changed depending on the needs of the class!
