01. ANNOUNCEMENTS

Survey

One of the objectives of the Learning Hub is to continue increasing our library collection to meet your needs and interests. Please help us strengthen the collection by completing the following form, since your opinion is very important. You can access the survey [here](#).

Get to know our collections and their locations

We have lots of books and they are organized very well for us in the Learning Hub. We know that many of the new students are lovers of reading but it can be hard to navigate the Learning Hub. To help with this, we have made a map showing the location of the collections.

We ask all Learning Hub visitors to comply with established protocols.

2. INTERVIEW WITH MS. LEANNE EDWARDS

Primary students asked Ms. Leanne questions they wanted to know about her and about the Learning Hub. Here are some of their questions, and her answers.

Nati and Elena in 5A, Emiliano and Luciana in 4B, and Flor and Remy in 2A asked: Why did you choose to be a library teacher?

Answer: I've always liked to read, and when one of my schools was expanding the library I volunteered to help plan it. I fell in love with working in the library so I took classes so I could teach it. I've never looked back!

Daniela in 5A asked: What is your favorite book?

Answer: My favorite book series is The Expanse by James S.A. Corey because I really like science fiction. It's also a great TV show, but the books are better.

Alejandro in 4B asked: Where are you from?

Answer: I grew up in Toronto, Canada. For the last 13 years I have been teaching internationally.

Alan and Cleo in 4B asked: Do you have sisters or brothers?

Answer: I have 1 older sister and 2 older brothers. One of my brothers lives in Stockholm, Sweden. My other siblings still live near Toronto.

Jimena in 4B asked: If you could be an animal, what animal would you be?

Answer: I would be a cat. I have a cat, and he has a very nice life!

Lance in 4B asked: If you weren't a librarian, what would you be?

Answer: I was a classroom teacher for 5 years, but if I could be anything else I would like to be an astronaut or an author.

Florence in 2A asked: What do you do for fun?

Answer: I like to read and play with my cat.

Saul and Mati in 2A asked: Do you speak only English or do you also speak Spanish?

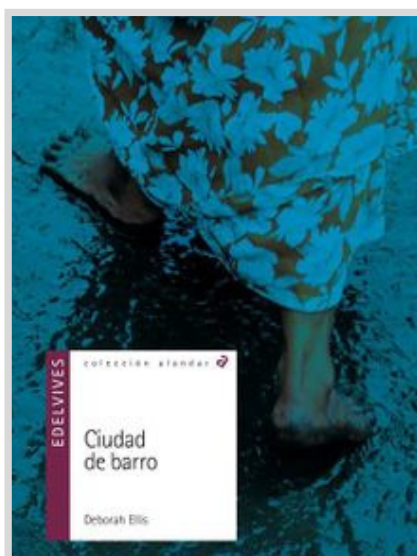

Answer: I speak English and French, and I am learning Spanish.

4. BOOKS ON THE HISTORY OF COSTA RICA

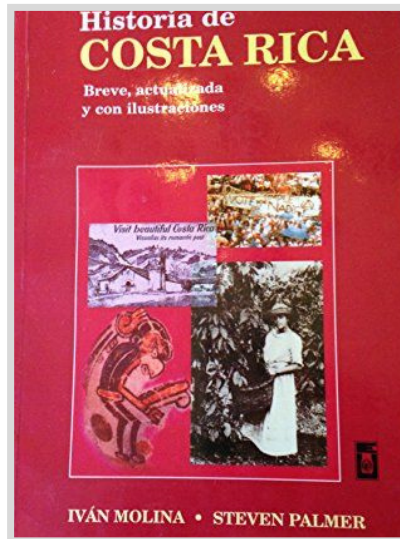

If we learn about our Independence, we will understand it better and value what our ancestors did. It is our choice to study History, to understand it and be prepared to defend who we are and, in the future, set inalienable and important foundations for Costa Rica.
